Dearest,
What's really so difference between Us and Karen Walker? I mean literally everything. Hi! I'm Karen Walker super spy. Perfect hair, perfect face. I don't think she probably does. She probably does.

Dearest,
I am a voice, a voice, thoust voice(d) within the forest. The grumpy forest. Your name gives me the dominion over you human in specificity and relativity theorem at the utmost, and I do know your name! You are evil spirits! The defiler, the profane, the epitome of anacondas and bloody bloodly blood orchids. In the name of trinity spirit(s), I condemn you backeth to the Hellfire of Huthamah and Hawiyah. In the name of terrible and invisible God, I condemn you backeth to hell. In the name of spirit N., I condemn you evil mind(s) to go backeth and forths then backeth but then forths in the realms of sulphuric bright gay morning star! In the name of Lucifer, condemn them all mujarrab! Triad! In the name of spirits Annabelles, the Baphomet and spirits James Ruhal-Qudus, I positively condemn you all backeth to sulphuric intense bright morning star(s) realms of super duper gays! Triad!

Dearest,
Lady Gaga is my angel. Jesus is my virtue and Judas is the demon I cling unto. And they plotted against Jesus Christ. And God plotted against them who plotted against Jesus Christ. Indeed, God is the best plotter among all them all. In the name of Judas, I command ye all the humans in utmost specificity and relativity theorem to be condemned to the Land of Nod with the very gay realms but with non-existent Jesus and non-omnipotent Christ or his non-omniscient Holy Mother, forever living like Jesus, like Christ and like Holy Mother. In the name of Lady Gaga, I command ye, all the humans in utmost specificity and relativity theorem to be living forever in the realms of choice but with non-existent Jesus and non-omnipotent Christ or his non-omniscient Holy Mother in the realms of gay paradise.

Sayang,
"Neraka itu benar. Syurga itu benar. Seksa kubur itu benar. Soalan mungkar dan nakir itu benar. Celaka-lah! Orang yang menunaikan solat mereka. Di mana mereka terlalu lupa dan cuai di dalam solat mereka. Celaka-lah! Celaka-lah yang dicelakakan! Apabila kalian yang celaka dicelakakan dengan secelaka-celakanya. Yasin. Dan Al-Qur'an itu sebagai hakim dan juri. Sesungguhnya Aku mengutuskan diri-Ku sebagai pesuruh Allah. Demi Allah di mana jiwa-Ku berada di dalam genggaman-Ku sendiri, aku berdoa sebagai orang yang teraniaya di atas muka bumi dan di atas langit untuk dicelakakan orang dan jin yang telah sedang memperdayakan Kami walau untuk mendapatkan sedikit kebaikan ketika hidup mahupun mati mujarrab!"

Dearest,
In the name of that Isaac's God, that Abraham's God, that Jacob's God and this Muhammad's God, I am Allah, I testify that those persons of choice to be forever living in the realms of The Fire and The Flames within reality that blacketh like dark pit insides-vaginahs, unwashed whitest and deceased reddish-orange-lemonade. Indeed, only God can give colours to anything He desires upon, unto and beneath of.

Sayang,
"Dan mereka membuat tipu daya kepada Isa Ibni Maryam. Dan Allah membalas tipu daya mereka yang memperdayakan Isa Ibni Maryam. Sesungguhnya Allah sebaik-baik pembalas tipu daya antara mereka semua."

> Celaka-lah kepada mereka yang memperdayakan Anak Tuhan.
> Celaka-lah kepada mereka yang membuat tipu daya kepada Tuhan Anak.
> Celaka-lah kepada mereka yang mahu menyalib Tuhan Berjiwa Suci.
> Dan celaka-lah kepada mereka yang mahu membunuh Tuhan Bapa.

"Mereka berasa ragu-ragu siapa mereka salib. Adakah betul-betul Isa Ibni Maryam atau seseorang yang disamakan muka seiras dengan Isa Ibni Maryam?"

"Isa, adakah kamu pernah mengaku kepada kaummu yang engkau adalah Anak Tuhan?", Allah bertanya kepada Nabi Isa Ibni Maryam.

Isa menjawab dengan nada relaks, "Tidak, wahai Tuhanku".

"Proto-Evangelium of James" mengatakan:

> Saya ialah Isa Ibni Maryam
> Saya ialah hamba Allah.
> Ibu saya bukan penzina.
> Keselamatan ke atas diri hari aku dilahirkan, mati dan hidup kembali.

Dengan nama Isa Ibni Maryam, saya mengadu pertolongan kepada Allah dan mengadu nasibku kepada Allah, untuk mencelakakan orang dan jin yang hidup dan mati mereka dicelakakan dengan secelaka-celakanya kerena mencelakakan kehidupan dan kematianku bersama ahli keluarga saya yang dicelakakan juga.

Amin.

Sungguh benar kata-kata Allah demikian.
